

SUSTAINABILITY ADDENDUM

In addition to our existing Environmental Policy we can confirm for all projects Klozers policy with regards to sustainability is as follows:

- All Klozers employees traveling to and from assignments, where ever possible will use National Rail Services as their first choice.
- Any printing material used will be recycled, and all participants will be offered electronic documents to reduce paper consumption.
- All training materials used will be available online for reinforcement.
- Conference Calls and Webinars for ongoing support will be available to avoid travel where appropriate.

Our main point of contact for Environment and Sustainability is Joanne Waddell and can be contacted on joanne@klozers.com
